- *A caravan site.*
- *Operational land. This is generally land belonging to the former utilities and other statutory operators.*

Does the property currently further the social wellbeing or social interests\* of the local community, or has it done so in the recent past? If so, how?

Could it in future further the social wellbeing or social interests\* of the local community? If so, how? (This could be different from its current or past use.)

*\*these could be cultural, recreational and/or sporting interests, so please say which one(s) apply*

**B5 How could the building or land be acquired and used in future?**

*If the property is listed as an Asset of Community Value, community interest groups (not limited to your organisation) have the opportunity to bid for it if it comes up for sale.
